

TO WHOM IT MAY CONCERN
DONNA SCOTT
PARK MANAGER

The residents of Sea Breeze Mobile Estates are all Seniors, and for the past month have enjoyed the benefits of the FLEX and SIL VER SNEAKERS community fitness classes. When first presented to me, as Manager of Sea Breeze, I could not believe it was a FREE program for Seniors. However, it has worked very well for my residents, and we are greatly appreciative of the classes offered on a daily basis.

Thanks for the opportunity to keep our Seniors moving and healthy.
